Most of these are Bapton Constructor daughters and all the calves are by Louada Rothes King. Rear row, extreme right, dam of Louada Achievement; dam of Louada Cornerstone, Copyright and Conquest; and on left dam of Louada Adventure, selling. Front row of cows, dam of Louada Randolph and Louada Debonair and full sister to Louada Bonaparte; next with head up is full sister to Louada Landlord; next is the dam of Louada Bruce, selling; then Louada Waterloo Hope.

Louis Cadesky

Nothing pleases us more than your visit to Louada, whether it be at the time of the annual sale or any other time of year. We are happy the Louada sale has become a gathering place for progressive Shorthorn breeders to meet, enjoy companionship and obtain seed stock to build the breed.

1963 is a special occasion for us because it marks the introduction of two new lines. All I would care to say about the Louada Rothes King calves is "come and see for yourself." I believe you will agree he is the greatest sire ever to set foot on Louada and that his sons and daughters can bring a new era to Shorthorns. We are also very proud of the first calves by the undefeated champion of Britain, Glamis Benefactor.

With Aberfeldy, Scotsdale, Ettrick and Fralawn joining us, we feel the combined efforts result in greater strength. Their cattle are of strong heritage, excellent quality and we recommend them to you.

With the Rothes Kings, the Benefactors, a great group of Constructor daughters, and the purchase of the entire Bapton herd, Louada is stronger than ever. There is much to see and we sincerely hope you will be with us.

A handwritten signature in dark ink, appearing to read "R. P. Cadesky" with a stylized flourish at the end.

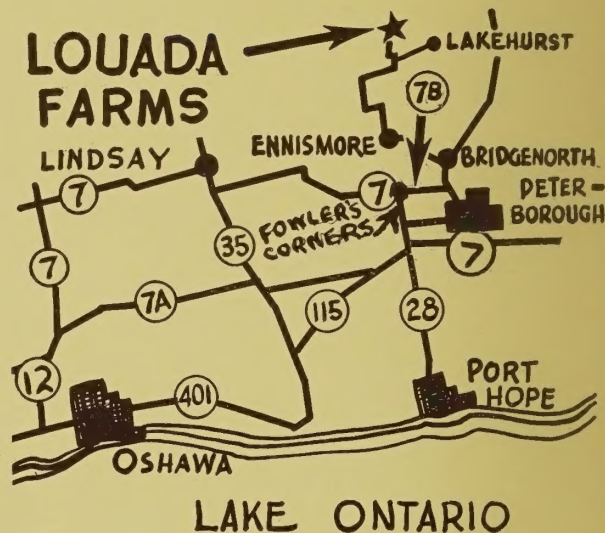

Heifers at Fralawn, mostly by Louada Regalia.
From this group were selected three of their
four sale entries.

Expressway 401 across Ontario is almost all completed except for a short distance around London. This means you can drive across Ontario with ease and make good time. Coming from Detroit, go over the bridge (not through the tunnel). West and south of Detroit are fine expressway roads connecting with the Michigan, Ohio, Indiana, and Illinois turnpike systems. From Ohio and farther east study the turnpike systems which lead through the Buffalo and Niagara Falls area. Many of our friends in the Midwest will be able to get on expressways in Illinois and Ohio, for example, and stay on them until they turn north off 401 to Peterborough.

PETERBOROUGH AREA

From junction of 7 and 28 continue north on 7 to Fowler's Corners. Do not take 28 as it goes into Peterborough. From Fowler's Corners go east on 7B about three or four miles to road leading north to Bridgenorth. Then cross Chemong Lake at Bridgenorth, follow farm signs through Ennismore and on to Louada Manor Farms.

These maps are crudely drawn and are not meant to replace road maps. We feel they will be helpful, however.

SALE INFORMATION

TIME and PLACE . . . Monday, October 21, 1963. 12:30 p.m.
Louada Farms, 20 miles north of Peterborough, Ontario.
Approximately 90 miles from Toronto.

LUNCH . . . A ladies church organization will have lunch available on sale day.

TRANSPORTATION . . . From Toronto, the Canadian Pacific runs frequent trains. Toronto is reached easily by any means of transportation. If you wish to be met in Toronto we will be happy to do so, but please let us know sufficiently in advance. See page 108 for more detailed travel information.

HOTEL ACCOMMODATIONS . . . Sale headquarters will be the Tops Motel. Write to them directly mentioning you will be attending this sale, or write to Wilbur Donaldson, Mgr., Louada Farms, R 1 Peterborough, who will be glad to make reservations for you. If the Tops is filled we suggest the Rock Haven and Kawartha Motels. All three are excellent and all are located on Highway 28 south of Peterborough. We also recommend The Empress Hotel, Peterborough. Transportation from all these will be provided to and from the farm.

AUCTIONEERS . . . Don Smock, Whiteland, Indiana, and Hugh James, Decatur, Illinois.

GUARANTEE . . . All cattle will be sold under the Standard Guarantee endorsed by the American Shorthorn Assn.

HEALTH . . . All cattle will be sold under the laws of Ontario and will comply for entrance to the United States. Official calfhood vaccination for females is practiced in all herds and all of the herds selling are Accredited for T.B. and Certified for Brucellosis.

TERMS . . . The terms of this sale are cash. Checks should be handed to the clerk immediately following the auction. Please be sure to have the clerk record your shipping instructions.

LIABILITY . . . Louada Farms, and the other consignors, their owners or employees accept no liability for accidents that may occur. Accidents at cattle sales are very rare, but all attending must do so at their own risk. The sale manager, auctioneers, and clerks were employed by the owners for specific tasks promotional and clerical and have no connection with the handling of the cattle, the condition of the premises, fulfillment of guarantees, or health papers. The

sale of each animal constitutes a contract between the buyer and seller of each lot.

*Never before
a Louada
offering
like this.*

There have been many great cattle in the Louada sales in the past, but never before have they presented an offering like this. I am sure when you see the calves by Louada Rothes King you will agree Louada has something working for them that is not only going to help them maintain their position . . . but will be a big factor in breed improvement everywhere.

The three year old policy of including strong drafts from Scotsdale, Aberfeldy, Ettrick, and Fralawn has provided many more outstanding females for this sale than any one herd could possibly offer and still stay in business.

I have seen all of the cattle going into the sale. I assure you that no one will be disappointed . . . no matter how many miles he must travel to attend.

LOUADA ROTHES KING

“ROTHES KING”... WHAT DOES IT MEAN?

If the only thing we had ever received for the entire investment in the great Saltoun herd had been Saltoun Rothes Queen 27th, the money would have been well spent. She is the dam of Louada Rothes King.

Two years ago when he was just a calf, visitors from Scotland began referring to him as the “Rothes Queen” calf, because to them this was the most important part of his background. This Queen of Rothes family has produced more outstanding Shorthorn stock bulls than any other family in the history of the Shorthorn business.

Louada Rothes King is an “outcross” bull for the Louada herd. This surprises some people who think of him as a grandson of Bapton Constructor. Actually he is only one-fourth of the blood of Bapton Constructors. Certainly no breeder would consider less of a tie-in to follow such a history making sire. In the other three channels of his pedigree he traces to three of the greatest families

Saltoun Rothes
Queen 27th, dam of
Louada Rothes King

...“ROTHES QUEEN”

this breed has ever known . . . our famous Blood Royals of Millhills descent . . . to Tolquhon Pole Star whose full sister was Tolquhon Princess Molly, 1959 Perth champion, one of the great females in Scotland and bought by Calrossie to try to raise a stock bull (these are originally A. J. Marshall Princess Royals) . . . and thirdly, of course, King's own family is the Kirkton Queen of Rothes.

Glamis Benefactor, whom many consider our “outcross” bull, is not as much of an outcross as Louada Rothes King.

We are particularly pleased that in the Rothes King outcross we find such sires as Chapelton Royalist, Pittodrie Landmark, Cruggleton Willingdon, Calrossie Highland Leader, Ascreavie Democrat, Tolquhon Bosun, and Calrossie Supreme, all great sires not of the Welcome line.

Louada Rothes King is owned in partnership with Leonard Buck, Allwood Plantation, Thomasville, Georgia.

Our chief stock bull here at Louada, and one whose calves are all that is necessary to ensure him a place among the all-time great. Sired by Louada Bonaparte, that sold to the Duggan's in the Argentine for \$30,000. The first offspring of Bonaparte shown at Palermo won the group of five best bulls by one sire, award.

Rothés King's dam is a beautiful white cow and her dam is still producing at fifteen years of age at Denend in Scotland. We considered Saltoun Rothés Queen 8th the best cow of the

Saltoun herd when we purchased it in 1959.

Louada Rothés King has proved to be a wonderful outcross on the daughters of his grandsire.

Tolquhon Polestar, his dam's sire, is full brother to Tolquhon Princess Molly, the Perth Champion of 1959 that sold to Calrossie at 1300 gns.

Study this pedigree and see the bull, but more important, see his offspring.

Undefeated bull in the major shows in Britain in 1962. The only bull ever to win Perth and the Highland in the same year. Then went on to win seven other shows. Even with a dark nose, he was probably the most popular bull to win at Perth in the last ten years. Has a beautiful true color of coat and horn. From the famous Calrossie Broadhooks family

that has produced so well for Calrossie and Glamis. A full sister to his dam produced the Perth champion of 1960.

The famous Calrossie Baronet was full brother to Calrossie Hilary Broadhooks, the fourth dam in this pedigree.

Benefactor is now at Louada and still looking a champion. We are proud to present his first calves in this sale.

LOUADA ACHIEVEMENT

We consider Louada Achievement a very valuable bull in the future Louada program. When you see him we believe you will understand why we have refused many attractive offers for him.

His granddam was the \$5,700 all time record high for a Canadian Shorthorn female and we never would have sold her unless we had the dam of Achievement and several other members of this family. Louada Fearless was also out of the granddam of Louada Achievement.

A great son of Kinellar Royal Robin, the stock bull now owned in partnership with Shag-Bark Farms in Kentucky. Achievement is being used heavily here at Louada and we have great confidence in him as a sire.

His dam is one of the best daughters of Bapton Constructor. Her dam, Louada Augusta Queen was sold in our 1959 sale at \$5700 to K. C. Shorthorn Farm in Missouri. This is an all-time high for a Canadian Shorthorn female. Her full sister

was purchased in our May '61 sale by the same breeder for \$4000. Another full sister was purchased in an earlier sale by Merrybrook Farms at Milton, for \$4100.

Louada Fearless, a 1954 first prize winner at the International was a full brother of Louada Augusta Queen. He made a great record in the Hickories herd in Wisconsin, and was later used in the herds of Ralph Bivin and Glenn Mangold in Illinois.

Louada Pibroch, now stock bull for Richardson Stock Farm, Winnipeg, Manitoba. He is the sire of Louada Remus, Lot 17.

LOUADA REMUS — A growthy young son of Louada Pibroch, stock bull in the herd of Richardson Stock Farms in Manitoba. Pibroch was reserve champion at the Royal Winter Fair in 1961, and champion at the Red River Show in 1963. Tolquhon Rosewood Rozel is the dam of Louada Rosedene sold to Jacob Ulrich of Kansas in 1960. This is a very promising young bull.

LOUADA POWER DRIVE — Sired by Calrossie Power Drive, the stock bull at Coldoch in Scotland. His dam is a very good daughter of Bapton Clanroy, one of the first sons of Bapton Constructor. Clanroy is out of the same cow as Bapton Guardsman, the new stock bull at Northwood. This is a very promising calf.

LOUADA FLOSSY FRED A

LOUADA FLOSSY FRED A — Out of Calrossie Flossy Fortuna and sired by Louada Randolph, herd sire for True Buckmaster in Indiana. Calrossie Flossy Fortuna was sold in our 1962 sale to Charles Ewald and Son in Minnesota and comes from a good Calrossie family. Fortuna is a full sister to Calrossie Fortitude, the 1958 Perth champion which sold for 13,000 gns., also half sister to Calrossie Heirloom which brought 13,500 gns. at Perth in 1961. A great prospect selling with breeding privileges.

Scotsdale Navarre, shown winning Supreme Championship at the 1961 Royal Winter Fair. He is by the International Supreme Champion, Scotsdale Jupiter by the Perth Supreme Champion, Calrossie Prefect. The get of Scotsdale Navarre placed first at the 1963 Canadian National Exhibition.

SCOTSDALE

Scotsdale, owned by S. G. Bennett, Georgetown, Ontario, is universally recognized as one of the world's greatest Shorthorn herds. The cow herd is remarkable in its uniform excellence . . . quality bred-in over nearly a quarter century of skillfully blending the world's most potent bloodlines.

Eight beautiful heifers are being offered by Scotsdale. All descend from the Perth Supreme Champion, Calrossie Prefect, and his greatest sons.

ABERFELDY ROYAL ROBIN

ABERFELDY

Since his club days Reford Gardhouse has followed family tradition and has thrown himself wholeheartedly into the task of breeding outstanding Shorthorns. With a thorough first hand knowledge of the herds of Scotland, he has carefully assembled a herd of the strongest imported background and headed by the best stock bulls. The eleven females from Aberfeldy selling offer a grand opportunity to add strong new female families to your herd.

A CHAMPION SIRE

From the day he was dropped at Aberfeldy it appeared that Aberfeldy Royal Robin, an imported-in-dam son of Bapton Roan Robin, would never leave the farm, but would stay on as a stock bull. He was one of the most popular show bulls of recent years, but more important, his first sons and daughters are clearly proving his worth as a sire. His first son, Aberfeldy Deacon, a champion himself, will remain at Aberfeldy as a stock bull. Three of the four members of the Aberfeldy first prize Breeder's Herd, 1963 C.N.E., were by Aberfeldy Royal Robin.

Below, First Breeder's Herd, 1963 C.N.E.
Three are by Aberfeldy Royal Robin.

A CHAMPION SON

Aberfeldy Deacon is the first son of Aberfeldy Royal Robin. His dam is the grand imported cow, Cluny Augusta Ameila. As a senior calf, Aberfeldy Deacon was the Grand Champion Bull of the 1962 C.N.E. and the Grand Champion Bull of the 1962 Royal Winter Fair.

He is being used heavily at Aberfeldy now. Those attending this sale will be able to share in his first crop as eight of the eleven females they are selling are bred to him.

HE BOUGHT A BRED HEIFER IN THIS SALE . . . In 1961 Louis Latimer, Olds, Alberta, bought a female in the sale bred to Bapton Constructor for his son, Gary Latimer, who is shown above with the resultant calf, Remitall Mr. Wib. The Latimers plan to use this bull in their well known Remitall herd.

U.S. DOLLAR is at a PREMIUM

Buyers from the United States should remember that their dollar is at about a 7% premium in Canada.

In other words, an animal in this sale bought for \$1,000 costs about \$930 in terms of U.S. dollars.

In many cases, this difference is sufficient to cover costs of transporting cattle home.

Seven females purchased by Ettrick from Louada out of the Bapton herd. Shown recently after arrival from quarantine.

The seven females Ettrick purchased out of the Bapton herd were Glamis Princess Orchid, 1961 Perth reserve champion; Bapton Margaret Eliza by Bapton Roan Robin; Bapton Augusta Marg by Napoleon; Bapton Ramsden Miranda by Glastullich Garrison; Bapton Augusta Nowell by Bapton Constructor; and Bapton Augusta Marge by Naemoor Dictator.

ETTRICK

Those who have attended the past two Louada October sales can understand why the Ettrick females are among the most sought after. The herd was built on purchases of the finest females in Scotland and North America. Norman Hogg, successful Toronto executive, is determined to breed nothing but the best.

In line with their annual program of selling foundation cows after they have produced daughters to go back into the herd, they are again this year offering two outstanding imported cows. They also sell four beautiful heifers . . . three out of imported cows, one out of a Scotsdale dam.

The Ettrick heifers are sired by their two stock bulls . . . as impressive a pair of sires as you will find anywhere.

Scotsdale Marshal was Supreme Champion, 1955 Royal Winter Fair. He was purchased for \$10,000 at the 1958 International Congress Sale. He is a ton bull in breeding condition and is one of the few bulls in North America to classify AAA.

Louada Blockbuster is a full brother to Louada Bonaparte that sold to Sr. Charles Duggan of the Argentine. Bonaparte is the sire of the famed Louada Roth's King, now chief stock bull at Louada. Blockbuster weighed 1975 pounds as a three year old in breeding condition.

To further strengthen the Ettrick herd this year seven outstanding females were added from Louada out of the Bapton herd, placing Ettrick in an even stronger position to supply females for this sale.

Above, Scotsdale Marshal with a few of the cows at Ettrick.

TRADLIN CROCUS — Tradlin Beaver by the famous Gallant Marshal was the top breeding bull in Scotland in 1956. He sired Acadia's famous \$25,000 Kinellar Napoleon and at Perth that year his nine sons sold averaged \$8,700. He also sired Tradlin Bertie, the record priced \$15,000 calf purchased for Bapton where his only son Napoleon was junior and reserve supreme champion at Perth in 1959. This Crocus family did well at Kinellar. Tradlin Crocus has produced a calf each year, three of them heifers. She is bred to Louada Blockbuster and due to calve on November 18.

MOY NELLIE BROADHOOKS — Dupplin Encounter, an outstanding stock bull with a beautiful head, grand bone and outstanding hair and fleshing. His sire, Coldoch Marksman, had a great show-yard record and stood reserve several times to Calrossie Constellation, the bull of the year in 1957. This line of Broadhooks was very successful in the late A. J. Marshall herd, going back to Juliet Broadhooks, one of the best cows of her day. She has bred well at Ettrick, producing a calf each year. She is bred to Louada Blockbuster and is due to calve on November 18. The dam of Ettrick Builder being shown at the C.N.E.

ETTRICK PRINCESS MARY — This richly bred heifer sired by a AAA bull and out of a AAA cow deserves careful consideration. Scotsdale Marshal, a top bull, was Supreme Champion at the Royal Winter Fair in 1958, has terrific breed character. His dam was the top open heifer sold at the Kirkton dispersal sired by the famous Kirkton Baronet. Calrossie Prefect was supreme champion at Perth in 1952. Bred on August 8 to Louada Blockbuster.

ETTRICK AUGUSTA CASSANDRA — A very promising daughter of Louada Blockbuster whose dam was sired by Bapton Roan Robin. Her granddam is a richly bred Cluny Augusta whose full sister, Cluny Augusta Melissa, was champion female at Perth in 1952 and sold for \$3,600. Chapelton Commando, bred by James Biggar, won first prize and was reserve junior champion at Perth in 1957 where he was purchased at \$15,300 for the Bapton herd. This doubly bred Bapton Constructor heifer is sold with breeding privileges to Scotsdale Marshal.

ETTRICK AUGUSTA CATHY — Chapelton Commando won first prize and was reserve junior champion at Perth in 1957. Was purchased for \$15,300 for the Bapton herd. His sire by Cruggleton Balmoral won the Calrossie cup at the Royal show in 1956. Her dam, a member of the Cluny Augusta family, and her granddam is a double-bred Cluny Augusta. Scotsdale Marshal was supreme champion at the Royal Winter Fair in 1958. We believe this to be one of our best young heifers and has breeding privilege to Louada Blockbuster.

Glastullich Garrison, Fralawn herd sire, is shown with E. A. Fray, granddaughter Yvonne Fray, Dr. John C. Fray, and Mrs. E. A. Fray.

In partnership with Tutira Farms and Louada, Fralawn purchased the well known stock bull Glastullich Garrison from Bapton. Garrison had originally been purchased by Bapton for \$22,000. One of his first sons, Bapton Guardsman, sold to Northwood for \$25,000. From the looks of the first calves by Garrison at Fralawn it appears they have made another "ten-strike" in their herd bull selection. The four Fralawn heifers are bred to Glastullich Garrison.

FRALAWN

Fralawn Farms is one of the most select herds of the breed . . . based upon the owners' determination to have a quality herd of only the best. Good fortune mixed with good judgment has catapulted Fralawn into international prominence. They secured the great breeding bull, Louada Regalia, used him for three crops and then sold their half-interest in him to the Browns of Kentucky for \$10,000.

It was a Fralawn female that topped the female end of the 1962 Louada sale at \$4,200 going to Harold Frey, Oxbow, Saskatchewan.

Bapton Guardsman, sold to Northwood for \$25,000. He is a son of Glastullich Garrison. The four Fralawn females selling are bred to Glastullich Garrison.

LOUADA BUYS THE BAPTON HERD

Trophies won by Bapton in 1959 alone. The results of their breeding program are self-evident.

It was an historic transaction that astounded Short-horn breeders the world over. Much of the Bapton herd is already at Louada and can be seen at sale time.

FAREWELL TO BAPTON HERD

(Reprinted from Scotch Shorthorn News)

A further chapter in the life of the world-famous Bapton Shorthorn Herd was written early this year, when news was released of the purchase of the complete Herd by two noted Canadian breeders.

The new owners of the Bapton Herd are Mr. Louis Cadesky and Mr. Wilbur Donaldson, Louada Manor Farms, Peterborough, to whom our best wishes are extended for the continued success of this celebrated Herd.

The loss of such a world-famous Herd is undoubtedly a serious blow to the Breed and it would be foolish to think otherwise. The Bapton Herd contains some of the most famous and fashionably-bred blood lines available within the Breed, at the present time. The Bapton Herd has won every top honour within the Breed and their presence will be badly missed at the National and County Shows in this country.

When the Bapton Herd moved to its new home at Cairnbrogie, Oldmeldrum, under the expert supervision of the Resident Manager, Mr. W. Gordon Blackstock, M.B.E., a valuable boost was given to Breed prestige in Scotland and very soon, Cairnbrogie became an important showplace, visited by thousands of breeders and enthusiasts from all parts of the world. The appearance of the Bapton animals at the National and County Shows throughout the country, always provided a welcome fillip to the Breed, as the Herd representatives were always turned out to perfection and shown with expert skill.

The new Canadian owners, Mr. Cadesky and Mr. Donaldson are receiving a veritable "Beef Shorthorn goldmine" and there is little doubt that with the transfer of the Herd to their new home at Louada, Canadian and American breeders have been given an unrivalled opportunity of a large, new reservoir from which they can obtain an abundance of blood lines from all the top breeding females.

The future progress of the Bapton Herd on Canadian soil will be followed with keen interest by all breeders, many of whom have long and sentimental associations with Bapton.

Good luck and best wishes to Mr. Cadesky and Mr. Donaldson in their new purchase.

The World's Greatest Shorthorn Merger

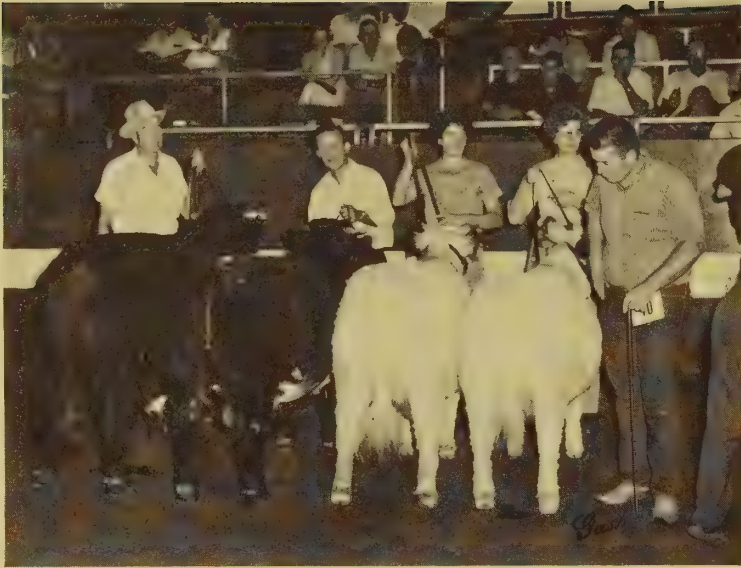

Louada and Bapton

Louada Shorthorns have sold into nearly every state and province in North America . . . and to Scotland, Australia, New Zealand and Argentina.

Bapton Shorthorns have also been sold the world over.

Below, three yearling Polled Shorthorn heifers from the Bapton herd.

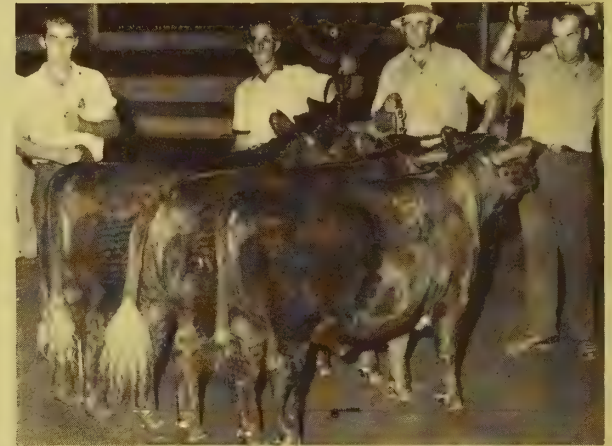

The Garriott family, Scottsburg, Indiana, Ox Valley Farms, with their first prize senior get of sire by Louada Rodney, 1963 Indiana State Fair. First prize junior get was the Browns of Kentucky with the get of Louada Regalia.

It would be impossible to picture or even list all of the Shorthorns and Polled Shorthorns of Louada bloodlines that have been champions and top sellers in the past year. We show just a few on these next pages.

Your success with Louada Shorthorns is our best advertisement.

Extreme right, Charles Ewald, Fair Acres Stock Farm, Waldorf, Minn., with grand champion female, 1963 Minnesota State Shorthorn Show, Austin, a daughter of their Louada Cardinal.

In the 1958 Louada sale Harold Thieman bought Louada Miss Rosewood. Her daughter, Miss Rosewood Coronita x is shown above winning grand championship, 1963 Illinois State Fair. Another daughter was reserve junior champion.

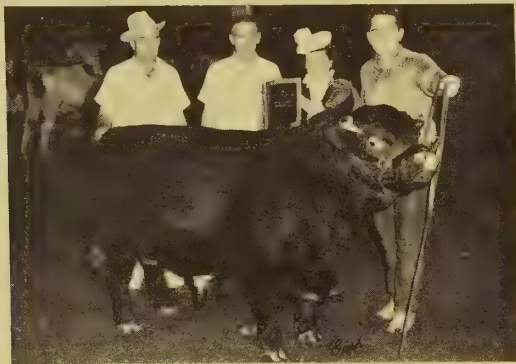

Grand champion female, 1963 Ohio State Fair for the "Browns of Kentucky". Sire: Louada Regalia.

First prize get at 1963 Missouri State Fair for K C Farms, Kansas City. They're by Bapton Constructor. They included both grand champions.

Grand champion bull, 1963 Indiana State Fair for the Garriotts. Sire: Louada Rodney.

Too many breeders think they can save money by buying a cheap bull. A year later, after the calves arrive, such people are right back "bull hunting".

BAPTON CONSTRUCTOR

KINELLAR ROYAL ROBIN

The past plays an important role in any herd because this is the heritage upon which the future is based. However, we cannot live in the past. The job of finding worthy successors to great stock bulls is always with us. Good breeders never stop looking.

Every stock bull that follows him will have an easier time succeeding because he will be working on those great daughters and granddaughters of Bapton Constructor. See the calves and yearlings out of these cows.

Kinellar Royal Robin is owned in partnership with and is at Shagbark Farm, Alexandria, Kentucky. We are still using him, have a grand group of daughters by him, and have retained his outstanding son, Louada Achievement.

TRAIN AND PLANE INFORMATION

By air . . . Chicago to Toronto

Trans-Canada Airlines has about eight flights a day — each way — between Chicago and Toronto, leaving from O'Hare Airport.

By air . . . from other points

In the eastern part of the country, there are direct flights to Toronto from New York and Cleveland. Excellent service also from the Canadian West and East.

By rail . . .

You can take a sleeper out of Chicago to Toronto and return the same way. Trains generally leave Chicago about 9 p.m. and arrive in Toronto around 10 a.m. The train from Toronto for Chicago leaves about 11 p.m.

By automobile . . .

The present super-highway system makes the drive a good deal easier than ever before. We would like to point out, however, that the cost of a round trip airline ticket from Chicago-Toronto is only about \$55. Rail about the same. Traveling alone it is difficult to beat this by car.

By rail . . . Toronto-Peterborough

There is good service but there are changes in schedules and we shall not attempt to give you times here. If you have traveled to Toronto by train and find that you can make a good connection on to Peterborough, it will probably be best for you to do so because it is a fast train. However, if you are to encounter a long delay, we would prefer that you call the farm (Buckhorn, Ont. OL 7-8792) and we will arrange to pick you up with others coming from the airport. Coming back from Peterborough to Toronto there are generally trains at times that will enable

you to make your connections, but in the event you cannot find a convenient connection we will see to it you have transportation to Toronto.

Meeting you in Toronto

We will be happy to meet your plane. It is about a two hour drive to the farm. Try to arrive early enough so you won't miss the affair at the farm Sunday afternoon and evening. **Please advise us in advance of your arrival time. Then you should report to the flight information desk Trans-Canada Airlines.** A representative of Louada will be nearby. If you miss connections call the farm at Buckhorn, Ontario, Oliver 78792.

If you are coming by train, you may find it just as convenient to continue by train from Toronto to Peterborough. However, if this doesn't work out call the farm and we will include you in the cars coming from the airport.

Cars will also be going back to the airport after the sale.

Cars from Peterborough

If you are without transportation upon arriving in Peterborough, contact the farm. On sale day cars will leave from the motel area at approximately 8:30 a.m. and 9:00 a.m.

All train and plane information given here is approximate. Be sure to check with your ticket agent for exact times. Because schedules change we cannot quote exact times.

We urge you NOT to make your connections so close that you arrive in Toronto Monday morning.
